**Re:    *United States v. Malik Holloway, 19 Cr. 897 (ALC)***

Dear Judge Carter:

On September 19, 2022, the Court ordered that both parties submit post-hearing briefs on October 14, 2022, with any responses due October 21, 2022. The parties have been engaged in discussions regarding a potential pre-trial resolution of this matter. Given that a pre-trial resolution would obviate the need for the Court to decide the defendant's pending suppression motion, the parties respectfully request a two-week adjournment of the current briefing schedule to allow for the parties to continue plea discussions. The parties respectfully request that post-hearing briefs be due from both parties on October 28, 2022, with any responses due November 4, 2022.

In addition, the Government requests that the time between today and November 4, 2022 be excluded pursuant to the provisions of the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), to allow the parties to continue discussions regarding a potential pre-trial resolution and to submit post-hearing briefs. The Government submits that the proposed exclusion would be in the interest of justice. Defense counsel has consented to this request.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
